SPRING ISSUE

President's Message.

by

CARL ROHDE W9ROM

FELLOW AMATEURS:

I want to express my heartfelt thanks to the response made by the Club in behalf of the ARRL Building Fund.

As you read in your letter, our objective was 10 Per cent of the Div deficit, which was 1,600, our quota was 160.00 as a consequence.

Our total remittance to ARRL Headquarters was 192.20 (and there are still a few late ones coming in) this money has reached Headquarters and your certificates are on the way to you.

Our Program had far-reaching effect, throughout the Central Division and in other Divisions as well, Johnny Hunton's article in May QST says much more than I can, my sincere thanks to you all.

Amateur activities in and around the area have been many and well done, many more are planned, the 4th of July activity will see nearly 100 licensed amateurs engaged, I surely wish more of you would look into this Public Service work, I find it great fun, and know that you will also.

It was most stimulating to sit at a Meeting where amateurs were recognized individually--and as a group, by the gift of an expensive transmitter, it was not so much the value of the equipment as it was the spirit that motivated the gift, as I saw it, proving, as it did, that the presentation came as a surprise and was totally unexpected.

The officials of the B.C. station stated that they knew we could NOT be compensated, and were making this gift to the organization to aid in rendering public service IN ANY WAY that the ingenuity of amateur radio...and amateurs, would most surely devise.

Thank you all--and wont you please try to attend a Meeting, we miss you....and we could use your help.

CARL-W9ROM

LIVE THE GUY SAID AT THE LAST CLUB MEETING " THEY MAY BE LIFE MEMBERS..BUT WHY ARE THEY SO DEAD" CAUSES ONE TO MEDITATE, DOESN'T IT.

PRESIDENT CARL HAS REFERRED TO THE ACTIVITIES--PAST AND PRESENT THAT OUR LOCAL FRATERNITY HAS ENGAGED IN THIS SEASON, AND I'D LIKE TO ADD MY ANALYSIS.

THUS FAR WE HAVE BEEN PART OF NO LESS THAN SIX AFFAIRS THAT HAVE SEEN AMATEURS NUMBERING WAY OVER 200 INDIVIDUAL PARTICIPATIONS. WE HAVE DAILY EFFORTS THAT INVOLVE NO FEWER THAN 50 PEOPLE, EACH WORK DAY OF EACH WEEK.

NOW I HAVE BEEN GIVEN A OPPORTUNITY TO WITNESS THE VARIED WORKINGS OF OUR HOBBY, NATIONWIDE... AND I HAVE HEARD HERB HOOVER, Pres OF ARRL and IVAN LAUCKS, CHIEF OF THE AMATEUR SECTION OF FCC, BOTH MAKE THE SAME STATEMENT..... TO WIT.. IN PUBLIC SERVICE LIES THE ONLY FIELD THAT IS LEFT FOR AMATEURS TO JUSTIFY THEIR CONTINUING EXISTANCE.

ARE THESE LEADERS TALKING TOYOU ...OR ME...HECK NO, WE HAVE BEEN IN AMATEUR RADIO ..TOO LONG.. THEY MUST BE REFERRING TO THESE NEWCOMERS.. OR POSSIBLY THOSE LOWLY C.B.,ERS.

HOWS ABOUT THAT OLD MILITARY JAZZ??? WELL SOME OF US BETTER NOT GO NEAR A SPOT THAT LOOKS LIKE A DOORWAY TO ANY ACTIVE SERVICE..NOT ANY MORE.

SO HOW ABOUT THIS "PUBLIC SERVICE" BIT WHO APPRECIATES IT...HOW IMPORTANT CAN IT BE?????WANT SONE ANSWERS???? WELL JUST LAST WEEK THE VERY TOP OFFICIALS OF AN OUSTANDING LOCAL COMMERCIAL B.C. STATION....PERSONALLY APPEARED BEFORE OUR ACTIVITIES GROUP..HANDED OUT A BUNCH OF PARTICIPATION CERTIFICATES, PLUS.... A 5 KW RCA COMMERCIAL TRANSMITTER AS A GIFT TO OUR PUBLIC SERVICE CORPS---IN ALL MY TRAVELS, AND IN ALL MY CONTACTS I HAVE NEVER SEEN SUCH RECOGNITION GIVEN FREE..NO STRINGS.. TO A GROUP OF AMATEURS..WHO NEVER DID EXPECT A THING..FOR THE SERVICE THEY RENDERED.

DONT YOU THINK ITS HIGH TIME THAT YOU INVESTIGATE..LOOK INTO WHATS GOING ON.

JACK DOYLE W9GPI.
